There are alternative means to make a donation or sponsor any of the Lifeworks projects:

- You can raise money for The Bidwell Brook Foundation simply by shopping! By registering with [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) and selecting Lifeworks as your nominated charity, you automatically make a donation with every penny you spend! Go on line and have a look. There's no obligation, no strings attached; just shop when you want, buy what you want, and know that each purchase benefits local children and young people with learning disabilities!
- Or call us on 01803 840744 to pledge your donation and request an information pack.
- Make your gift worth nearly a third more! Gift Aid enables us to claim tax back on your gift, so for every £10 the Inland Revenue gives us an extra £2.80!
- From an employee's perspective, Payroll Giving is an easy, tax-effective way to give. Because it comes out of your wages before tax, it costs you less and we receive more. For example, if you pledge £5 per month, you actually pay only 22% or £3.90. The government provides us with the balance. For employers, it's a great way to demonstrate commitment to a worthy cause, and setting up a new scheme could be worth between £300 and £500 as a government inducement to support charities. If you'd like to find out more, please call us on 01803 840744.
- Donations large or small benefit Lifeworks. By leaving a Legacy, you avoid paying any inheritance tax. To find out more, please contact our fundraiser to find out about leaving a legacy to support the work of Lifeworks.

If you would like to go one step further, please tick the following boxes as appropriate.

I would like to receive the Lifeworks 6-monthly newsletter

I would be interested in volunteering my time and skills for fundraising events

Many thanks from all of us at Lifeworks for your support!
