# Welcome to our race night

## Here's how it works...

- We will be showing eight films of actual horse races throughout the evening, each with eight numbered horses.
- Place a bet at the tote table on whichever horse you think will win the race.
- You can bet on as many horses as you like, as many times as you like.
- You will be given a ticket for each bet. Hold on to this, you'll need it to claim your winnings.
- When all bets have been placed, the race will be shown and the winner displayed.
- If your horse is the winner, collect your winnings from the tote table.
- Race 8 is an auction race. Why not form a syndicate and be the highest bidders. The winning owner(s) will receive 50% of the total bid money. There will also be runner up prizes. Everyone will be able to place bets as normal.

Children with autism, Downs Syndrome or any of a number of undiagnosed learning disabilities are in need support, protection, care and the promise of a rewarding and happy life.
